

Lower Olentangy River Ecosystem Restoration Project The Ohio State University

Project PI: Bill Mitsch, mitsch.1@osu.edu

Project co-PI: Jay Martin, martin.1130@osu.edu

Project Coordination: Li Zhang, zhang.326@osu.edu

Remote Sensing

Jay Martin, Food, Agricultural, and Biological Sciences

Carolyn Merry*, Civil and Environmental Engineering

Bryan Mark, Geography Department

Li Zhang, School of Environment and Natural Resources

Water Quality/Hydrology

Bryan Mark, Geography Department

Jay Martin, Food, Agricultural, and Biological Sciences

Bill Mitsch*, School of Environment and Natural Resources

Andy Ward, Food, Agricultural, and Biological Sciences

Li Zhang, School of Environment and Natural Resources

Aquatic Habitat

Steve Hawkins, Recreational Sports

Dave Johnson*, School of Environment and Natural Resources

Foster Purrington, Entomology

John Thorn, Battelle

Tom Watters, Evolution, Ecology & Organismal Biology

Soil/Sediment/Microbiology

Virginie Bouchard*, School of Environment and Natural Resources

Jeff Daniels, Earth Sciences

Richard Dick, School of Environment and Natural Resources

Riparian Vegetation

Siobhan Fennessy, Kenyon College

Deb Georg*, Knowlton School of Architecture

Charles Goebel, School of Environment and Natural Resources

Bill Mitsch, School of Environment and Natural Resources

Tom Waite, Evolution, Ecology & Organismal Biology

* team coordinator
